

BARCLAY BUTERA GETAWAYS AND RETREATS

Renowned interior designer and entrepreneur Barclay Butera takes his distinctive style on a journey through the seasons, showcasing a collection of picturesque retreats and scenic getaways, each unique to spring, summer, fall or winter.

A day tripper at heart, Butera draws on his own travels and experiences to create stunning sanctuaries that range from stylishly rustic log cabins to gracefully chic beach cottages, always demonstrating his philosophy that no matter how far one's love for travel takes them, a destination should always feel like a home away from home.

BARCLAY BUTERA is known for his unique yet assertive taste, and while his style has evolved over the years, one thing remains the same: his firm belief in helping clients achieve the “Better-Best” concept of living. He is greatly influenced by his world travels and also feels strongly about combining old with new, often mixing a few of his clients’ heritage pieces into his designs. FACING: The exposed timbers, extreme heights, and large windows imbue this living room environment with enormous stature. Chocolate brown Paxton sofas by Barclay Butera Home bring the space down to earth and keep the color scheme seasonal.

ABOVE: To make the momentous room feel inviting and intimate, a grouping of Manhattan chairs by Barclay Butera Home creates an atypical sitting area around a modern, muscular cocktail table. Horn details and animal prints add a real swagger to the place.

02077 A custom armoire serves as a handsome focal point for a living room that celebrates the fusion of traditional furnishings with clean, upbeat style.
