

BOTANICUM

Embark on a floral adventure in this garden of botanicals and beyond: Venture into a meadow filled with spring flowers, a cool summer lake, an autumn harvest, and winter's first snow. Meet the creatures who live together in this fairytale land in harmony with nature. Calm your mind as you color the seasons' most beautiful plants. Includes a register of plants, birds, and butterflies found in the book, Maria Trolle's signature white-on-black imagery, and two new illustrations for each season—eight beautiful new illustrations for this edition only.

Maria Trolle is a graphic designer and illustrator living in Tyresö, outside Stockholm. Her passion for gardening acts as a thread to her art, with plants, vegetables, and flowers offering daily inspiration—preferably from her own garden. *Botanicum* is her fourth coloring book.
