Dogs Love to Ride

Olga & Aleksey Ivanov

Buckle up and get ready to ride through adorable illustrations and rhymes. In *Dogs Love to Ride*, you'll meet all different kinds of dogs who love to go for rides in all kinds of different vehicles.

There's the K9 dog who sniffs out crime, and there's the sports car pup who likes to ride curvy, swervy, and fast. Guess which big dog likes to ride in a really small car, and which dog doesn't mind getting muddy on an off-road adventure. And don't forget about the Dalmatians in the fire truck!

This tail-wagger of a book is a fun romp with dogs and their favorite humans from all walks of life having a good time being together and doing what dogs love to do best—go for a ride!

We love treats and digging holes
and lapping water from our doggie bowls.
But watch us smile and our eyes go wide
when you tell us it's time to ride!

Our pickup is loaded to the brink.
We're off to fix somebody's sink.

And then we'll patch a leaky roof.
My ears are flapping! Woof, woof, woof.

To the rescue our engine flies.
The siren whines and wails and cries.

We Dalmatians bring good luck
when we ride in the fire truck.

On a scooter, what a thrill!
Although we struggle up this hill.
We stop to make a delivery,
and then zoom down. Woof, woof, weeeee!
