URBAN ALPHABET

Doodle an alphabet that looks graffiti- and urban-style
to you...This is yours to use from now on!

INK SPLOTCHES

WITH

DOODLING

Ink splatters make a great starting point for doodles. Use these pages to doodle around the ink spots. You can even add some of your own ink or paint splatters on top of your doodles when you're done. Go to it—fill the page!

PHOTO FINISH

Find some photos of you and your friends or you and family. Paste one down and try to doodle out the scene from the photo to fill the rest of the page.

Cut out your favorite
monsters, aliens, or
creatures from magazines,
posters, or old comic
books. Tape them down
with masking tape or duct
tape to make a collage.
