

Have you ever looked up at the night sky and wondered what awaits you out among the stars?

One little boy is about to find out by hitching a ride on an alien saucer...

Pub Date: March 2023

I want to travel past the **MOON**  
the **SUN**, and the last planet in sight.

On the **COOLEST, FASTEST** spaceship  
zooming faster than light.

I will be the only human and make **FRIENDS** with them all.  
And we'll play the greatest game ever of Robo-Dino Ball.

We will end our days on the  
mountaintop, because here  
**EVERYONE** can fly.

Lay in the purple grass and  
watch **MAGIC** fill the sky.

“What if they  
beam you up,  
and you are  
not so lucky,

and end up on  
a planet that  
is very gross  
and yucky?”

“A planet where all they have are **BOOGIES** and **BUGS** to eat,  
and everywhere you go smells like eww so smelly feet?”

“Hey, I’m just saying, you just never ever know!  
But tell me more about this world of yours  
and why you want to go.”
