Daddy's Arms

Daddy's Arms  
By Fabian E. Ferguson

A few taps at his knees  
for him to put down his cup...

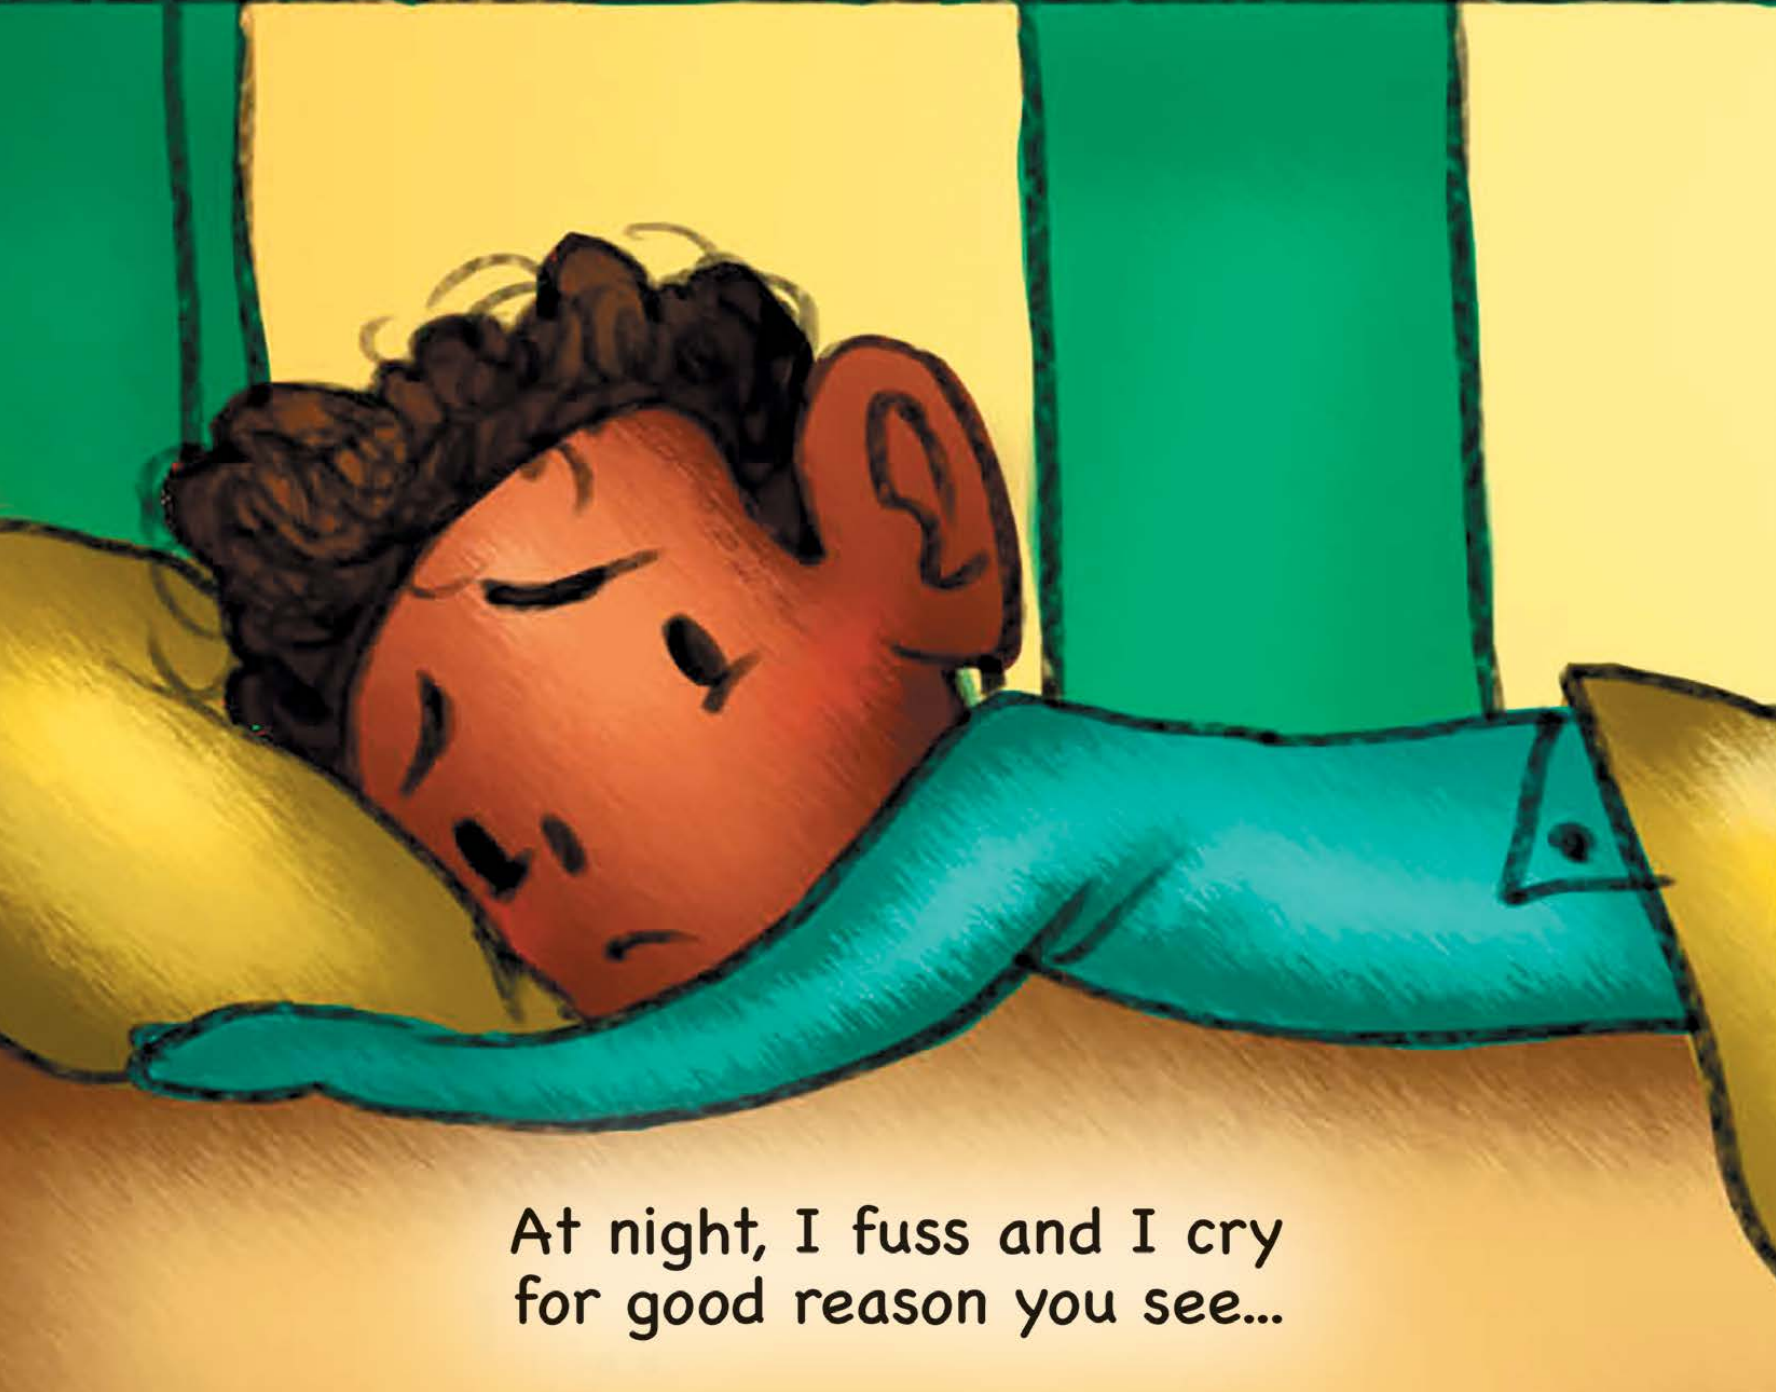

elevator for one — going up!

Dad's arms wet and they pinch  
like small crabby claws...

then they dry and they warm  
like big fuzzy paws.

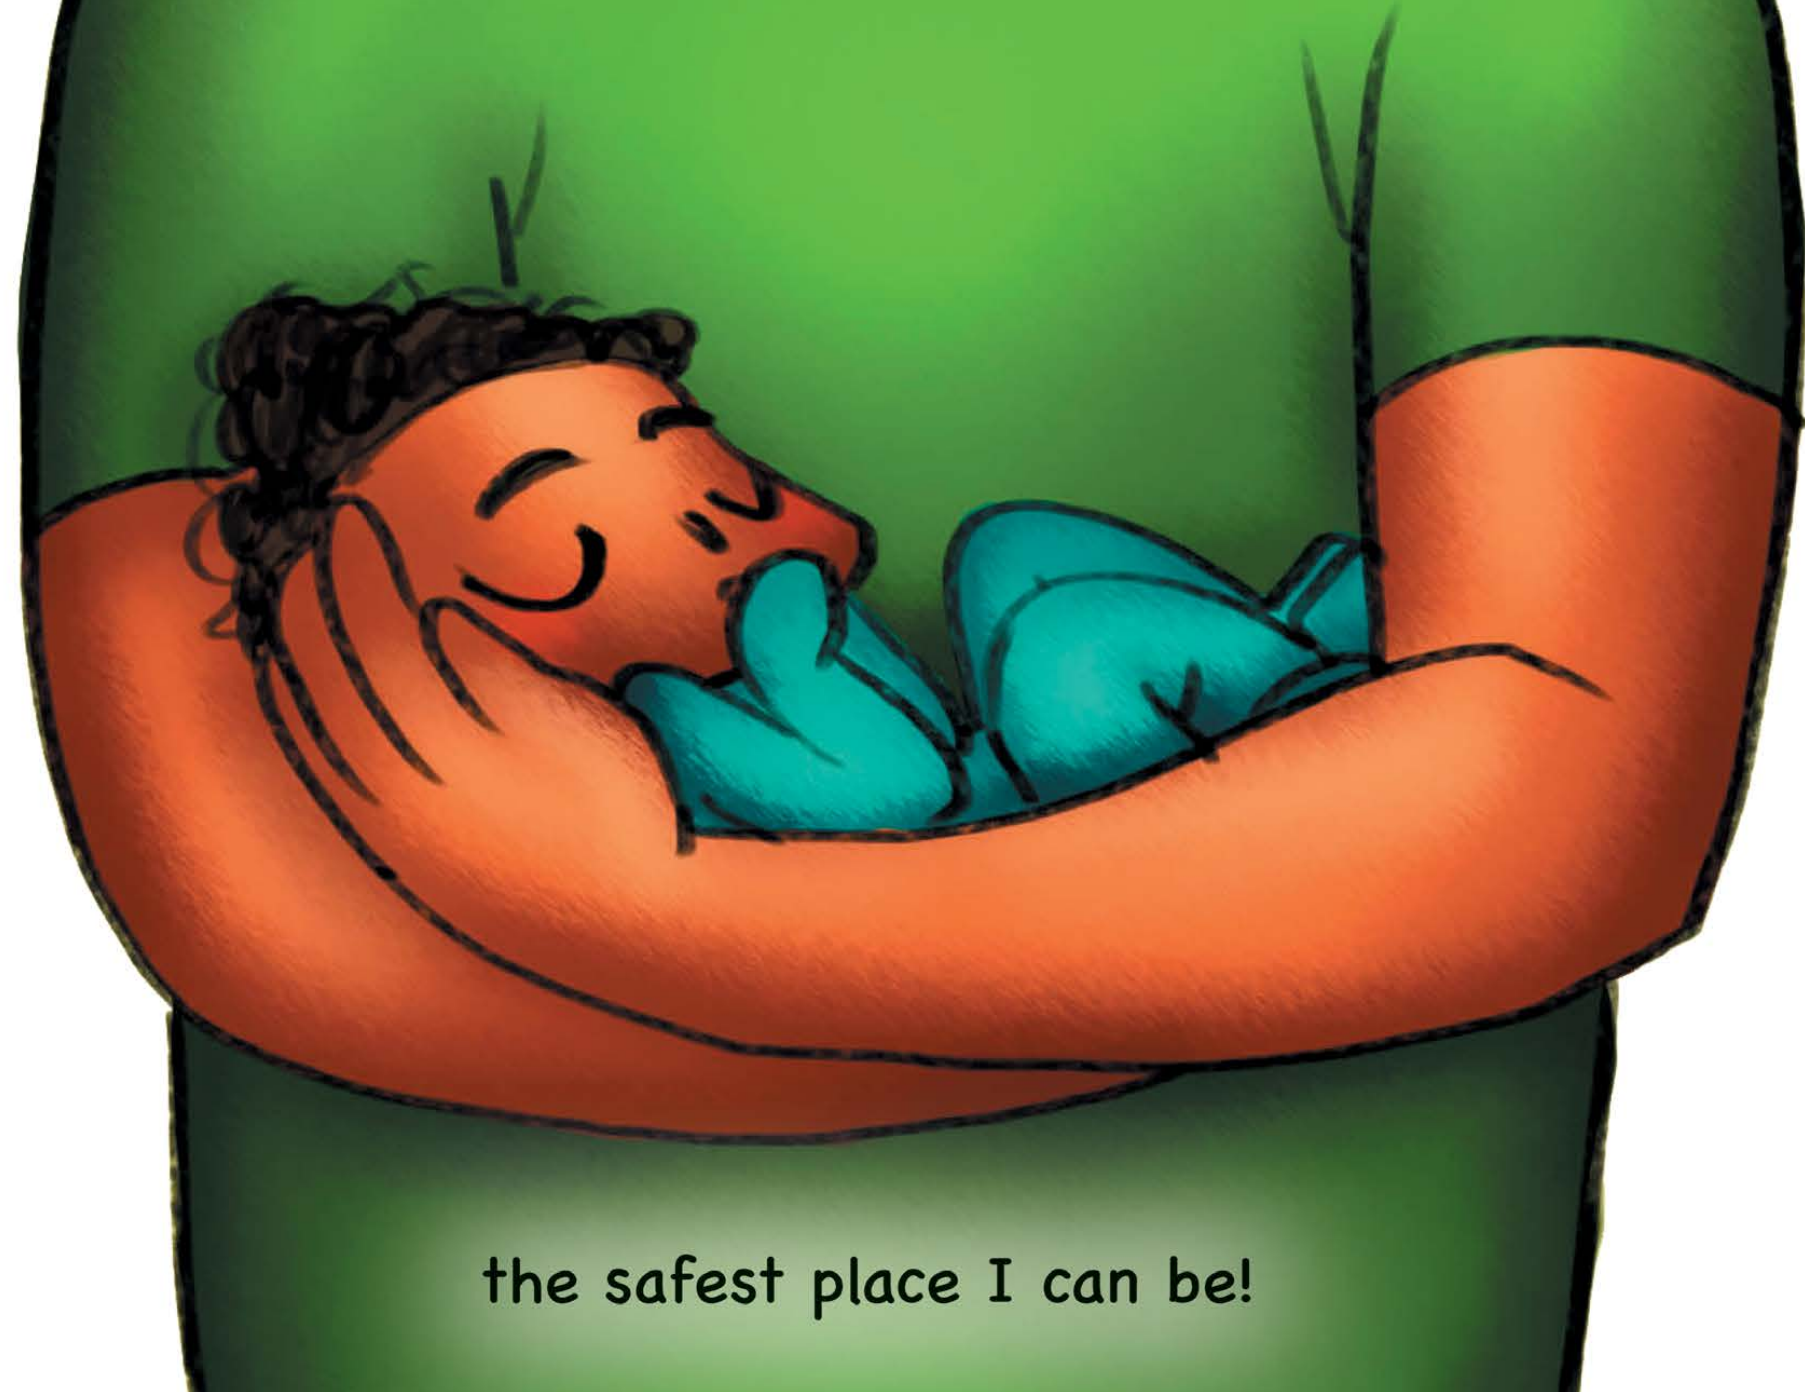

At night, I fuss and I cry  
for good reason you see...

there is only one place  
that is cozy for me...

In my **Daddy's Arms...**

the safest place I can be!
