A BILINGUAL BOOK OF HARMONY

Inspired by one of the oldest and most beloved traditional Spanish folk songs, “De Colores,” this beautifully illustrated bilingual picture book will have parents and children reading and singing one of the most recognizable Spanish folk songs while meeting children from around the world who celebrate love in all colors.

Join them as they encounter beautiful birds and a bright *arco iris* covering the sky, a couple of little chicks running around the soft grass, and a *gallo* singing joyfully in the spring.
