De colores, de colores se visten los campos en la primavera

All in colors, all in colors are the fields dressed up in the springtime

Y por eso los grandes amores de muchos colores me gustan a mí

And that is why the greatest loves of many colors are pleasing to me

Y por eso los grandes amores de muchos colores me gustan a mí

And that is why the greatest loves of many colors are pleasing to me

A BILINGUAL HIDE-AND-SEEK BOOK

Inspired by the internationally acclaimed sitcom “El Chavo del Ocho”, this book will introduce little ones to their first English and Spanish words as they explore *la vecindad* in search of the mischievous El Chavo.

After premiering in Mexico in 1971, it instantly became one of the most popular television sitcoms throughout Latin America, the United States, and Spain. Even today, the show has more than 90 million viewers a day.

Inside this hide-and-peek book, little ones can sharpen their hand-eye coordination as they join in the search for the mischievous El Chavo who has found very clever hiding places throughout *la vecindad*. Along the way, they'll meet many of his friends who also live in *la vecindad*. Is El Chavo behind the multi-color ball? Is he hiding under *el lavadero*? Is he in Mr. Raymond's house? Or can you spot him hiding inside *el barril*?
