

The beach is full of things to spot!
 From shimmering seashells, buckets, and spades
 to creatures scurrying in the breaking waves,
 little observers will love discovering
 the wonder in the world around them.

Little
 Observers

At the Beach

Clare Beaton

Pretty shells decorate the shoreline.

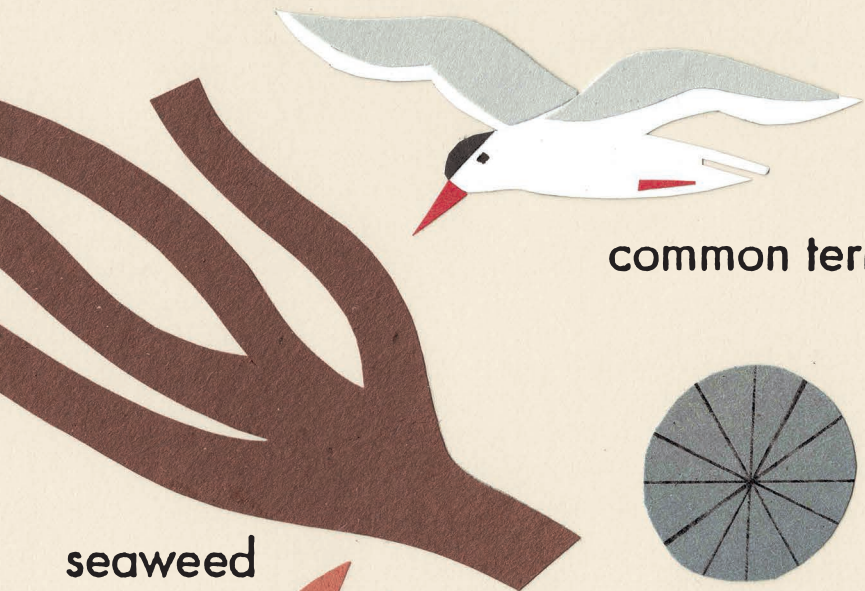

Tide pools are full of tiny creatures hiding among the rocks and the seaweed.

A golden sandy beach is like a playground.

How many of these things did you spot?

seaweed

common tern

thrift

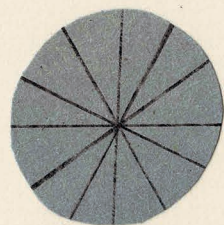

bee

jellyfish

common gull

limpet

scallop shell

green tiger beetle

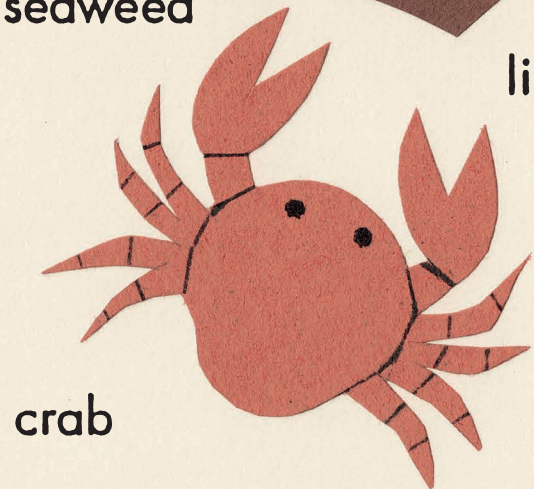

oystercatcher

sea holly

starfish

crab

wave

driftwood
