Welcome to colorful Llamacorn Land, the land of fifteen one-horned animals who spend their days drinking strawberry lemonade, sliding down glittering rainbows, and playing pretend from morning until night. All the magical, cheerful pals are special and unique. Meet the beautiful Unicorn with sneakers on its hooves, the Girafficorn who loves to have his head in the clouds, and the Mousicorn who likes to jump on the bed. Be sure to watch out for the clumsy Buffalocorn who runs terribly fast, the Donkeycorn who sings loud, loud, **LOUD**, and the Goaticorn who might just eat your sweater! Discover the Flamingocorn's favorite activity, what the Snakicorn does way up in the trees, and how the Bearicorn likes to party.

But watch for the Llamacorn, who will be your friend, who will share his cookies, and play pretend, the nicest creature you'll ever find—your new best friend who is always kind.

This rollicking story is for the dreamers of the world and reminds us that whether you identify with the Walruscorn, the Cowicorn, or the Gorillacorn, we can all live together and be loving, kind, and feel great about being ourselves.

GIBBS SMITH

The **UNICORN** is pale and grand.  
She paces gravely through the land.

But the **llamacorn** is kind.

The **girafficorn** has his head in the clouds.

You don't want to bother  
the **bearicorn**—

He pops  
the birthday balloons  
with his horn.
