

Inspired by the romantic musings of introverts—and all the things they might not say but would love to hear—this postcard book is filled with witty affirmations and amusing pickup lines to tear out and send to your favorite introvert.

Josh Ryan Higgins is a designer, illustrator, and introvert based out of Houston, Texas. He specializes in creating objects and visuals that connect people through shared experience, emotional vulnerability, and quirky humor. His work has been featured on HuffPost, Forbes.com, and his mom's refrigerator.
