

# MOON VALLEY

Explore *Moon Valley*, where beauty and magic flow through every page. Enjoy a moonlit walk through a lush grove, dive into a fabulous forest lake, and discover the most beautiful floral treasures in its captivating meadows. Gather your thoughts and calm your mind by coloring all the lovely plants and animals that live in this enchanted world. The book features a register of the plants and animals found in the book, and twelve pages of Maria Trolle's signature white-on-black imagery.

Maria Trolle is a graphic designer and illustrator living in Tyresö, outside of Stockholm. Her passion for gardening can be seen throughout her art, with plants, vegetables, and flowers offering daily inspiration. *Moon Valley* is her sixth coloring book.
