

HENRY & BALOO

are a real-life dog/cat sibling pair whose unconventional friendship has won the hearts of humans worldwide. Whether they're scaling mountains or cozying down in a tent, these two are never far from each other's side and always ready for their next trek. Wanting to share their explorations with friends and family, photographer and the pair's proud owner, Cynthia Bennett, began capturing Henry and Baloo on their outdoor adventures—with vivid colors and stunning backdrops surrounding them in every shot. Now never-before-seen photos and untold stories are compiled in a book for fans to enjoy. More than beautiful photography and a sweet story, *Our Wild Tails* champions friendship in the most unlikely of places and proves to readers that *love is universal*.
