Ahoy, there! Welcome to Fisherman's Wharf, which has been the home base of San Francisco's fishing fleet since the days of the Gold Rush.

Let's see what the catch 'o the day is.

Let's go on a bike ride. Give this cyclist some wheels.

San Francisco is famous for its really steep hills and streets. Give this bicycle a rocket booster to help get up these wicked hills.

Who is trying to escape from this cell?
