

A Layered View Book

Dogs come in all sizes, shapes, and colors—but for all of the things that set them apart, all pups are the same in their big canine hearts!

NICHOLS

SOME DOGS

Gibbs Smith

SOME DOGS

illustrated by Lydia Nichols

Some dogs are shaggy.
Some dogs are sleek.

Some look alike,
while some are unique.

Some dogs are slender.
Some dogs are round.

Some dogs are leggy,
some close to the ground.

Dogs recognize and accept one another—

they don't care a bit about size, shape, or color!
