

THE WOMEN'S VOICES SERIES

A collection of literary voices written by, and for, extraordinary women—to encourage, challenge, and inspire.

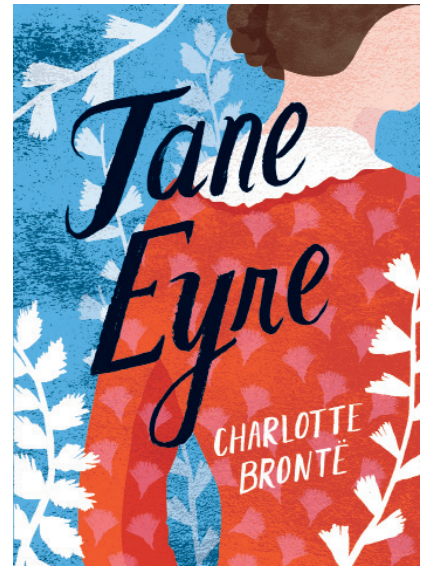

With a contemporary look, two-color designed endpapers, and low price point, this collection makes the perfect gift, or addition to one's own library. Spine art connects the set, but each book can stand alone as well. The Women's Voices series is timely for the new wave of young feminists, eager to learn more from their predecessors.
